

Hinkel Engineering Inc. Plumbing and HVAC Systems Design

As a firm, our experience ranges from applications for general offices, retail, assembly spaces, healthcare, nursing homes, education (daycare through post secondary) and industrial / manufacturing

Alliance YMCA Renovations

Hinkel Engineering was the HVAC, plumbing and fire protection consulting engineering firm for the Alliance YMCA renovation project. The project consists of a new and renovated child care facility, wellness center, youth area, locker rooms, spinning, aerobics, and office space. The project is ahead of schedule and has received positive feedback from members on the new completed spaces.

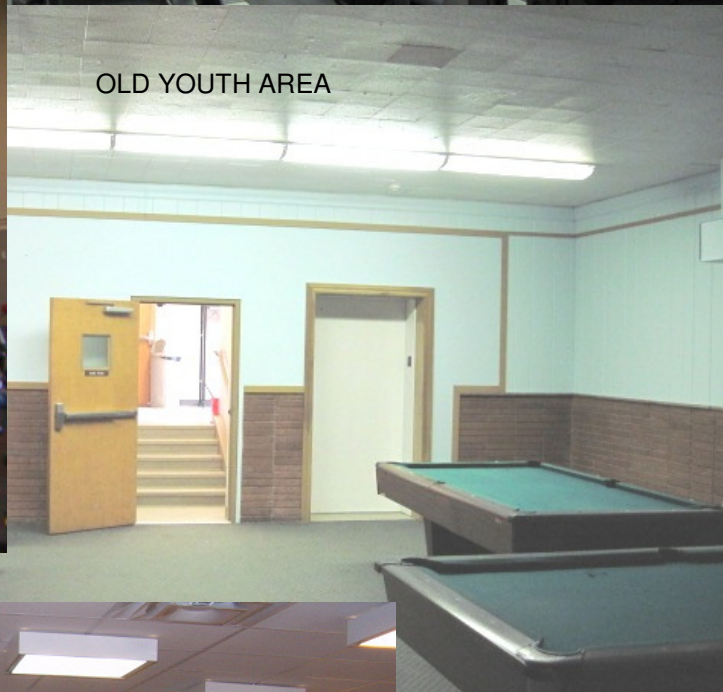

HEI is now on Facebook. Follow us at Hinkel Engineering Inc. to see more photos of our feature projects and the latest news.
